

Through The Keystone Keyhole

By BETTY LINN
Terminal 48864

The Linns celebrated their eighth anniversary Tuesday with the help of the rest of the family, Barbara and Charlie Jr. (not even a night out; woe is us).

So let's get on with local happenings. Cub Pack 230-C held its regular monthly meeting March 31 at Carson St. School. Presentation of awards highlighted the evening when James Stewart and Michael McCrary received one gold and two silver arrows; Ted Carter and Bill Wittenburg, one gold and one silver arrow; Vance Conger, one gold and four silver arrows; David Stewart, wolf badge; Bill Ward, bobcat badge, and Danny Spence, two-year pin.

Den 3 received monthly achievement, attendance and handicraft honors. Inspection award went to Den 1.

"Jungles" was the theme of the month for handicraft for the five dens which make up Pack 230-C. During April, pack members will be occupied thinking up a name for their mascot, a baby goat introduced for the first time at this meeting. A winning name will be selected at the next meeting. The evening's program was in charge of Cubmaster Andrew Cochran.

Headed by Mrs. Jack Spence, president, 14 delegates from Carson St. PTA attended the PTA district election meeting at the Halldale School in Torrance last Thursday.

Camp Fire and Blue Bird leaders of the Upper Harbor Area met Thursday evening at Halldale School to discuss the candy drive and make plans for summer day camp. Torrance, Hawthorne, Gardena and Keystone were represented. From Keystone were Mmes. June Lewis, Dorothy Jones, C. Cadenbach, I. Moore, Richard Landon and Charles Linn, who were also hostesses when refreshments were served.

Be sure and buy a box of candy when that little Blue Bird or Camp Fire girl knocks at your door.

A meeting of the Medical Civil

Defense group of the unincorporated area was held Thursday, April 3, at the home of Mrs. Karl Klein, 21914 Dolores St. A general plan of action was set up to get under way in the near future. This plan calls for first aid training of at least one person in each family and for each family to have a complete first-aid kit. Trained personnel will be required to man the first-aid stations, of which there will be five in this area. More detailed information will be forthcoming. In the meantime, you might give a little thought to how well prepared you and your family are to meet a disaster. Haven't thought much about it. I'll bet—nobody has, but really, the day may come when we'll wish we had taken a little heed and helped out on this civil defense program. If you would be interested in learning more about the program, call Mrs. Klein or the number above. Participating in planning dis-

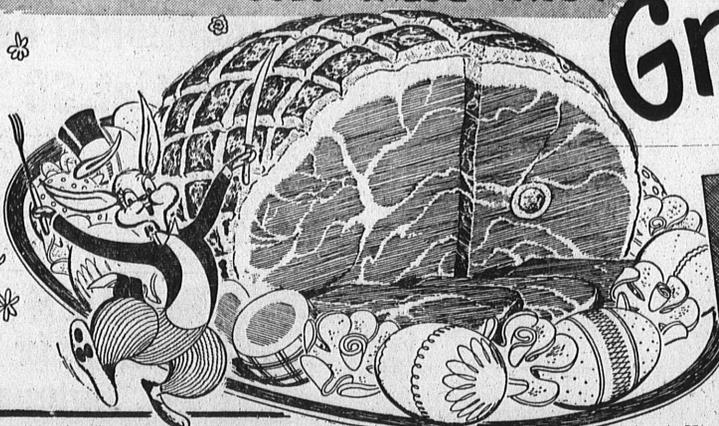

ussion were Mmes. Klein, K. C. Wilkinson, Melvin Jones, W. Cadenbach, James Campbell, Henry Jacklovich and Charles Linn.

Carson St. PTA executive board met Friday to make plans for the coming spring carnival at which time Strong's Circus

will be featured. Further details will be forthcoming. After the short meeting, members went to work filling some 900 Easter baskets for the Carson School children. The baskets were made by the children and filled by the PTA. Room Mothers deserve a special thanks. Individual room parties were featured throughout the day.

Guess that's it for this time. See you next week. Do call and let us in on your interesting activities.
